

REMINDERS

Please name all clothes and PE kits.

Please send your child to school each day with a water bottle.

Children should read at least 3 times a week at home.

Year 3 Summer 2 Term Newsletter

As **MATHEMATICIANS** we will:

- Learn about fractions
- Be able to define what part of a fraction is.
- Learn how to compare unit fractions.

As **WRITERS** we will be:

Learning about expanded noun phrases.

We will be creating our own subverted fairy-tale using our own characters.

We will be creating our stories using the past tense.

As **READERS** we will be:

Developing our phonics through RWI.

Reading "Zombierella".

Reading "The stinky Cheeseman and other fairly stupid tales."

We will make inferences from the text and predict what we think might happen

In **Computing** we will be:

Creating our own design and writing our own programs.

Using logical reasoning to find out how to find a solution to a problem.

In **Geography** we will be:

Learning about climate and pollution and how we can prevent further damage to the environment.

We will be creating our own wind turbine.

In **R.W.** we will be:

Learning about what makes a place sacred and making comparisons between different religions.

(RW, Religion and World Views, is the subject previously known as RE)

In **DT** we will be:

Creating our own sustainable bags by either sewing or weaving.
