

Writing Challenge

Can you write a story set in your favourite historical era? Maybe your story is set in Ancient Egypt or Greece, or in the midst of a Roman battle. Try to make your story as historically accurate as you can.

Why not challenge yourself and include a flashback in your story?

Maths Challenge

Can you improve your rock status on TTRS by practising at home three times a week, for 5 minutes?

What can you find out about fractions before we learn about them in this term? Can you create a poster or Google Slide presentation with your new information?

Theme Challenge

Can you find the names of five rivers in the U.K.?

What is the longest river in the U.K.?

How long is the River Nile in Egypt?

Year 5 Home Learning Challenge

Summer
Term

Science Challenge

Choose your favourite animals. Create a life cycle for this animal.

Can you research how the animals has adapted to its environment?

Ask it

Ask your family and friends where is their special place which they enjoy visiting. Can you use a tally chart to record their responses?

Photograph it

Take a photograph of the flowers in your garden or local park?
Can you find the stamen and carpel?

Draw it

Use the Egyptian hieroglyphic alphabet to write your name.

Grow it

Grow a plant from seed to fully grown.
Think about what a plant needs to grow, and how to offer this to grow a strong plant.
