

### Theme Challenge

Compare what life is like now to what it was like in the bronze and iron age. Make a list of similarities and differences.

### Maths Challenge

How many right angles can you find at home/in the garden? Make a list or take pictures to show your answers. You could make a right angle finder to help you.

### Science Challenge

Test a toy car on different surfaces. Describe how far it moved on each and explain why you think this happened.

## Year 3 Home Learning Challenge

Complete all of the tasks in the speech bubbles.

### Writing Challenge

Create another 'flat Stanley' character. Write a description for them.

Try to complete two of the blue challenges.

### Visit it!

Visit a local museum. Can you find out any information about the bronze and iron age?

### Research it!

Research the artist Henry Matisse. What can you find out about his career and art work?

### Cook it!

Choose the bronze or the iron age to create a typical menu for a new restaurant opening.

### Design it!

Design your own vase of flowers linked to the work of Henry Matisse.
